

Sign In or Create a New Account

IRS now offers sign-in options with Login.gov and ID.me. Both offer access to IRS online services with a secure account that protects your privacy.

Login.gov is an account created, maintained, and secured by the U.S. government. ID.me is an account created, maintained, and secured by a technology provider. Currently, Login.gov can only be used to access IRS Form 990-N (e-Postcard) and Qualified Intermediary Application and Account Management System (QAAMS).

If you have an existing IRS username, please create an account with Login.gov or ID.me as soon as possible.

PTIN and FIRE users need a separate account in this system

Warning: By accessing and using this government computer system, you are consenting to system monitoring, interception, recording, reading, copying or capturing by authorized personnel of all activities, including detection and prevention of any unauthorized use of this system. The system you are accessing contains confidential tax information and is designed exclusively for use by authorized persons to interact with the IRS and retrieve confidential tax information using only their own account. Any other use of this system that is inconsistent with the intended purposes of the system is an unauthorized use of the system and strictly prohibited.

Do not create or access an account in this system for anyone other than yourself. You may not use another person's information to create or access an account on behalf of and in the name of that person, even if that person provided their information to you to create or access an account for them or even if that person consented to your use of their information to create or access the account.

Unauthorized use of this system is prohibited and subject to criminal and civil penalties, including, but not limited to, penalties applicable to knowingly or intentionally accessing a computer without authorization or exceeding authorized access under 18 U.S.C. 1030.
